

Half Term Education Program 1 - 12 February 2011

Frida Kahlo & Diego Rivera Exhibition

The children have become acquainted with Mexico's nature, history and customs by analysing Frida and Diego's works.

Scenes from Tsarist Russia

The children worked on landscape paintings and the relationship between spaces and emotion.

Istanbul: The City of Dreams

In this workshop children depicted the Istanbul that they perceive.

Ceramics Workshop

In this workshop children acquired basic ceramic skills.

Comics Workshop

The workshop offered a survey of comics. Children acquired technical drawing skills as well as learning how to make a storyline.

Caricature Workshop

The workshop focused on finding and producing humor in the caricatures. The children were given technical information on caricature drawing.
