CUBIST MINI SCULPTURES

After they are informed about the Cubism movement, children participating in this workshop will make their own sculptures inspired by Giacometti's Cubist sculptures using a variety of materials.

21 February Saturday 11:00-13:00
11 April Saturday 11:00-13:00

Instructor: Leyla Sakpınar

Children study Giacometti's famous painting entitled "Palace at four in the morning" and create a space at the workshop using wooden sticks, wire, and tape, placing their figurative sculptures inside.

7 March Saturday 11:00-13:00
19 April Sunday 12:20-14:20

Instructor: Leyla Sakpınar

WHO'S INSIDE?

Age 7 - 14

CREATING "SPACE" FROM SCRATCH

Based on Giacometti's work entitled "Space," children create a multi-figure space by using wire and plaster bands on a flat panel.

4 April Saturday 14:00-16:00

Instructor: Leyla Sakpınar

TOPSY-TURVY WITH CLAY BUSTS

Children study the busts in the exhibition and make sketches in the gallery. They then create busts using plastiline based on a model in the workshop.
